## *A wonderful combination of good quality, good type, good breeding and good health—*

The business of breeding improved livestock is rapidly and surely approaching another era during which outstanding individuals that are backed by pedigrees of exceptional strength will command very high prices. Already the spread between the medium varieties and the really top kind has widened materially. There is still time to take advantage of buying opportunities and the sale at Irvine Hill Farms on November 3d will be full of them. This is a herd that was founded, without regard to expense, on top individuals that were backed by the richest possible Scotch ancestry. Herd bulls of high calibre have been used and constant improvement has been worked. Mr. Middleton's decision to divide the herd with the public through the means of this auction sale comes at a time when Irvine Hill Shorthorns are better than ever before.

Prospective buyers who really know and appreciate strong Scotch pedigrees will find much to interest them in this catalog. Not only are these 40 cattle members of the most fashionable Scotch families, but the lineup of herd bull strength in each pedigree is indeed impressive. The get and service of the noted imported sire Millhills Rufus will be the feature of the offering, all of the younger females and bulls in the herd sired by him being listed and most of the mature cows having his calves at foot. Here indeed is the opportunity to secure a line of new blood,—blood that has proved to be most prepotent in Scotland, Canada and the Argentine. His calves are of most approved type and no present day sire has sired better colors or transmitted to his offspring more bone and substance.

With perfect Scotch pedigrees, individuals of thoroughly modern type and a herd that is Federally Accredited for BOTH Bang's Disease and Tuberculosis, you can buy in this sale with full assurance that these cattle will be profitable to you.—Hal Longley of The Shorthorn World.

## *We Invite You—*

**I**T is with a mixed feeling of pride and regret that we invite all lovers of Scotch Shorthorn cattle to Irvine Hill Farm on the occasion of our November 3d auction sale. Most breeders, like ourselves, spend many hours of thought in mapping a program of herd improvement. We follow this up with many more hours of labor in the development of each herd member. We become so fascinated with each calf that we think all of them should remain on the home farm for herd improvement, and almost before we know it the herd becomes too large for the farm and the investment becomes too burdensome for comfort. We have reached just such a condition and, as much as we dislike to part with any of these cattle, our plan to divide the herd with the public is the logical solution.

The Irvine Hill Herd was founded through the purchase of the entire herd owned by the late James Huston, a collection of cattle that was recognized everywhere for the top individuality of its members and the perfection of its Scotch bloodlines. We have spent ten years in the further improvement of this herd and good judges agree that we have been thoroughly successful. In selling half of the brood cows and all of the younger animals at this time, we believe we are offering the pick of the herd to the public at a time when Irvine Hill Shorthorns are better than ever before in the history of the herd.

We do not wish to praise our own cattle beyond their true merit. We believe that every bull and every female will work improvement in the herd of its new owner. And we believe that every one of these 40 animals will prove to be a permanent advertisement for Irvine Hill Farm, where we intend to continue with the production of good Scotch Shorthorns for many years to come. Whether you buy or not, we hope you will do us the honor of being our guests on sale day.

C. C. W. Middleton

# CLAUDE MIDDLETON'S SCOTCH SHORTHORN SALE, NOV. 3, 1941

**Imp. Millhills Rufus** 1895748—Was brought to this country for the express purpose of using in our herd. We had noted the many great sires that had been bred in the famous Millhills Herd in Scotland, owned by Duncan Stewart and we were certain that the blood of the famous Rosehaugh Mandarin brought to our herd through this bull, would result in calves that would be appreciated by critical buyers. His sire, Collynie Mandate, was the top calf of his year at the Collynie sale. After successful use in the Millhills Herd, Collynie Mandate was exported to the Argentine in 1935 where he sold at public auction for \$60,000 (Argentine money). Collynie Mandate sired the grand champion bull, as well as the grand champion female at the 1939 Palermo Show in Buenos Aires. He was also the sire of Imp. Millhills Ransom, champion at the Perth Show in Scotland, after which he was used with great success in the Ontario Agricultural College herd. This sale will feature the get and service of Imp. Millhills Rufus.

Imp. Millhills Rufus, chief stock bull, a half brother to the grand champion bull and the grand champion female at the 1939 Palermo Show in the Argentine and a half brother to the Perth Champion, Imp. Millhills Ransom.

**CALROSSIE MERCURY (IMP.)**

A number of the daughters of Imp. Millhills Rufus are bred to Edellyn Silver Mercury, a son of the Perth grand champion Imp. Calrossie Mercury.

The calves produced from the mating of Edellyn Silver Mercury with the daughters of Imp. Millhills Rufus will carry the blood that has made greatest fame in Scotland, Argentine, Canada and the United States.

**EDELLYN SILVER MERCURY**  
Junior Herd Bull

When we were confronted with the problem of a bull to mate with the rich red and dark roan daughters of Imp. Millhills Rufus, we felt that we could do no better than to buy a son of Imp. Calrossie Mercury, the Perth champion that is making such a great breeding record in the Edellyn Herd owned by Thos. E. Wilson at Wilson, Ill. Accordingly, we purchased Edellyn Silver Mercury, one of the most compact, best headed, shortest legged sons of Calrossie Mercury. A number of Millhills Rufus heifers in this sale are safe in calf to him. Through these matings, we are providing buyers at our sale with the opportunity to buy the blood that has made greatest fame in Scotland, Argentine, Canada and the United States.

CLAUDE MIDDLETON'S SCOTCH SHORTHORN SALE, NOV. 3, 1941

IRVINE HILL CHOICE

Irvine Hill Choice 2044287  
—He should be one of the tops in this sale because he analyzes beautifully. His color is perfect,—so dark in his roan that he can almost be called a red. He is blocky, thick, short legged and has plenty of bone and substance. From his grand head to his smooth rump he is a grand individual. We know he will do well for his new owner.

**Irvine Hill Captain 2065-638**—We are probably wrong in offering this calf as such a young age. However, in every sale crowd there is a man who wants to buy a young bull calf and develop him himself. Despite the short age, this calf shows grand depth, blockiness, masculinity and quality. His dam, a daughter of the noted Browndale Captain, is one of the best cows of the breed. Two of his full sisters are top heifers in this sale and his full brother was the top selling bull in the Maxwalton sale in 1939.

**Beechwood Myrtle 19th**—This beautiful daughter of Browndale Captain has produced a bull and two heifers for the buyers at this sale. Be sure to see Lots 7, 24 and 25.

WILKINHOLM GLOSTER 32d

Wilkinholm Gloster 32d 1689433—Many critics who have visited our farm have said that this is the best cow I own and most certainly I never owned a better bred one. I am putting her in this sale only to help make it one of the top offerings of the year. She is a very dependable producer, a heavy milk-er, short legged and an attractive dark roan. She will calve about a week after the sale to the service of Imp. Millhills Rufus. If the buyer wishes, we will keep her here until after she calves.

IRVINE DUCHESS GLOSTER 3d

Irvine Duchess Gloster 3d 1997989—Her picture tells the story! She is one of the outstanding young females in this sale and is perhaps as good as any that will be sold this Fall. She won second prize in a very strong class at the 1941 Ohio State Fair. John Wieland has a very good full sister to her and he raves about his heifer every time we see him. Don't fail to study this pedigree very carefully. It would be hard to find a better bred Duchess of Gloster heifer. She was bred Sept. 12 to Edellyn Silver Mercury by Imp. Calrossie Mercury.

She has as perfect a Duchess of Gloster pedigree as could possibly be found and she is a level, sweet, breedy kind of a young cow. IRVINE HILL MYRTLE

Irvine Hill Myrtle 1985510  
—Here is the Senior Yearling that we were planning to show this year. A temporary injury to her foot prevented us from exhibiting her but we still believe she could have beaten anything that was out. She is a top heifer now and will be in full bloom on sale day. She will make a real 2 year old for next year's shows. She was bred April 28th to Brawith Master, an outstanding breeding son of Imp. Brawith Boy that I leased from Mr. Wagner of Fremont, Ohio.
